

Coronavirus (COVID-19) and Square Tree House.

We are Liverpool's smallest boutique hotel with four spacious and airy guest-rooms in a historic 19th century town house valued by guests for our informed but relaxed style of hospitality, excellent breakfasts & high standards of cleanliness. We encourage guests to use the track and trace app. The common areas are marked by blue ribbons at 2m intervals. The large dining room leaves plenty of space between tables- guests book their meal times to ensure there is never crowding. Alternatively guests may opt to take breakfast in their room. Rooms and all hard surfaces are sanitised daily. We are taking every measure possible to keep our customers and ourselves safe. We look forward to making you welcome.
